

PROFESSIONAL SUMMARY

As a Software Developer, I embody a service-oriented and pragmatic approach to software development. Leveraging a natural talent for crafting and implementing creative digital solutions, my passion is centered around web design and development. I am enthusiastic about utilizing my skills to impact teams and organizations positively. Proficient in comprehending client needs, I excel in seamless collaboration with teams to implement effective strategies for success.

TECHNICAL SKILLS

HTML | CSS | JavaScript | React | Python | SQL | NoSQL | Django | Node | Express.js | MongoDB | AWS | Redux | Typescript | Git | Github

PROFESSIONAL EXPERIENCE

Sr. Instructor Associate | General Assembly, March 2022 - Present

Sr IA supports students with learning in-demand frontend and backend programming languages

- Empowered the delivery of instructional material and offered robust in-course support for students in software development.
- Consistently engage with students to actively review their progress through project reviews, testing, and assessment
- Demonstrated lectures including Javascript and Python fundamentals, web frameworks, MVC architecture, and RESTful APIs.
- Meet one-on-one with students to debug code, test, find solutions, and mentor
- Collaborated in the design and implementation of class lectures and support initiatives

Web Developer | Contractor | May 2022 - November 2022

As a web developer, I designed and developed a full-stack application. Leveraging React, Redux, and Django technologies

- Developed and designed a robust full-stack application from the ground up, seamlessly integrating React, Redux, and Django technologies. Tailored for an upholstery business, facilitating product sales and enhancing the overall customer experience.
- Translated design mockups and wireframes into responsive and interactive user interfaces, prioritizing user experience and visual aesthetics
- Meet the project's timelines while adhering to best coding practices and software development principles.
- Successfully managed pre and post-consultation phases, fostering effective communication and understanding of client requirements

Technologist | Strategio, January 2022 - March 2022

Collaborative 8-week, 320 hours Enterprise Simulator preparing for roles in DevOps, SRE, and SDET

- Worked closely with Tech lead and team members to complete daily tickets
- Created documentation and weekly tutorials on cloud computing tools and concepts
- utilized AWS cloud computing services to build CI/CD pipelines
- Led cloud computing demonstrations to teach colleagues how to approach and solve problems
- 25+ applications Debugged and tested

Software Engineer Fellow | General Assembly, March 2021 - June 2021

12-week, 450+ hour Intensive program on Software Engineering

- Built and deployed 4+ full-stack, front-end, and back-end applications implementing 7+ frameworks and programming languages including HTML, CSS, Javascript, React, Python, and Database management with tools such as MongoDB and Django.
- Collaborated with UX Designers and fellow developers to execute products in biweekly sprints, as well as routinely de-bugging, wireframing, and testing

TECHNICAL PROJECTS

[SwiftStitch Upholstery](#) | [Full Stack Application](#)

Application Build: ReactJs, Redux, Python, Django, PostgreSQL, PayPal API & Bootstrap

[JoinMyObsession](#) | [Frontend Application](#)

Application Build: ReactJs, CSS, Calendly API, EmailJs, and Netlify deployment.

[ZootyWater](#) | [Full Stack Application](#)

Application Build: Python, Django, Stripe API, and CSS

[General Assembly Hackathon](#) | [Employee Management System](#) | [Frontend Engineer](#)

Application Build: Mongoose, Express, Node.js and Bootstrap.

EDUCATION | CERTIFICATIONS

Software Engineering Immersive | General Assembly | *Certificate of Completion* | 2021

[PCEP - Certified Entry-Level Python Programmer](#) | 2021

International/Global Studies | University of San Francisco | *Master of Arts* | San Francisco CA | 2016

Philosophy & Religion, Minor Economics | University of Stockton | *Bachelor of Arts* | Galloway, NJ | 2014
